EH...

Kuromi-chan will get angry.

It'll be bad if the costume gets dirty, so hold on for a moment.

Ah, Maki-chan

No way!  

IF YOU THINK ABOUT IT, AGAIN YOU CAN SEE IT ALREADY!  

YOU HAVE TO LET IT DOWN.
THEN, IF I DON'T DO THIS I WON'T SEE ANYTHING. IT'S OKAY, RIGHT?
If you pull away your hips, I can't reach.
SHOVE

I'm coming in.

HEY, HEY~

Heave-ho

Isn't it fine? You've finished changing already anyway.

Why did you go in like it's such a normal thing?

Well, moderately being nervous is important too~

That part of you is somewhat devoted.

I guess!

You saw through it right away.
It's a club pres' job to do a member's mental check after all!

Well then, Maki-chan, just stand still there.

Huh?

Yeah, yeah.

It's okay, hurry up!

Is it okay like this?
Didn't I say it earlier? I'm going to make a prank.

Wait! What are you doing?

Touch touch
